Dear parents/carers 13th March 2020

Possible school closure due to coronavirus

You are aware of the outbreak of the coronavirus and the subsequent confirmed cases in the UK.

Currently we are not closing the school however there is a likelihood that the Government will require all schools to close for a period of time. We'll keep you informed about any developments, as they occur, via text messaging.

If your child is in Year 1 or Year 2 they will have a **homework book** in their book-bags, with a comprehensive letter describing many activities they can do at home to support their learning, if the school closes. Reception children have various activities also in their book-bags.

We hope Alwyn will not have to close, however we will be following the advice of the Department for Education, the Government and Public Health England.
