

Basil's Farm Visit to Alwyn Infant

Dear Parent/Carer

We have invited Basil's Farm to school on Monday 12th June. The farm will be in the Reception garden for the day, giving the children opportunities to stroke and touch a variety of animals and to learn about them. This helps to build confidence and awareness of animals and thus provides an exciting experience.

Because we are not leaving the school premises, we are able to keep the costs down. We therefore ask you for a voluntary contribution of £3.00 per child.

Please complete the form below and inform your child's teacher if they have any allergies to animals.

Thank you
The Reception Team

Name of child _____ Class _____

I give my permission for my child to touch and feed the Farm animals visiting school on Monday 12th June.
