

As the roots spread so the tree grows

Thursday 25th June 2015

Dear Parents/Carers

CANOEING TRIP!!

Children in Year 2 have been invited to participate in a canoeing activity session in Hurley with the RBWM Outdoor Education Project. It is a **fully funded** trip. The children will be collected by an RBWM minibus then taken to Hurley for a picnic and a half day canoeing session, run by fully qualified instructors. They will then be returned to school for home time.

The classes will go on the following days:

2GC Wednesday 8th July in the morning
2VA Wednesday 8th July in the afternoon
2DW Thursday 9th July in the morning
2GS Thursday 9th July pm in the afternoon

We are very excited about the children being involved in such a wonderful, fun activity as it also promotes teamwork. What a great way to celebrate their time at Alwyn School!

The children will need the following:

- Their PE kit (tracksuit bottoms if it is cold) to be worn
- A complete change of weather appropriate clothes (including shoes & underwear)
- Old **trainers** to wear while canoeing (they will get wet)
- A jacket – preferably waterproof
- A towel
- Sun cream & sun hat if it is sunny
- Packed lunch & water bottle

As a reminder, year 2 will be swimming at the Magnet on Friday 10th July not Wednesday 8th due to the canoeing activity that week.

Many thanks

Miss K. Grierson/Mrs. J. Wallin
Year 2 Team Leaders
