

February 3rd 2017

Dear Parents/Carers,

On Friday March 3rd Years 1 and 2 will be participating in a day of hands on history as they experience an Edwardian day as part of the history curriculum. The Edwardian times are when Alwyn first started as a school at a site on Fielding Road. This letter is being sent out early as we are asking the children, and staff, to dress up for the occasion. On the back of this letter you will find suggestions for how to dress your children and you could also look at the old photos for any other available clues. After the event if any parents would like to donate their child/s costume to the school, to increase our stock of historical costume, we would be very grateful.

Yours Sincerely

Sue Palmer (history coordinator)
