

As the end of the school year approaches I would like to thank our children and our parents/carers for a fabulous school year. We are currently preparing your children for the next stage in their school lives and will be saying a fond farewell to our Year 2 pupils. I am sure they will all do well in the next stage of their school lives.

We also say cheerio to much loved members of staff and wish them happiness and success in their new ventures.

Our Reception staff are looking forward to welcoming a whole new cohort of children to Alwyn while Year One and Year Two teachers can hardly wait to start teaching their new children next school year!

We would like to take this opportunity to wish you all a restful and fun-filled summer break!

Staff news

We are sorry to say that 3 of our staff are leaving us at the end of this academic year.

We wish **Mrs Clark** a fond farewell.

Mrs Clark is a wonderful teacher who is retiring after a full and fabulous career. We are so lucky that she came to work with us in Year 2 and her enthusiasm and expertise will be sorely missed by all of us. Throughout her career she has had such a positive impact upon so many young lives, working tirelessly with all the children in her classes. We know she has many adventures planned and hope she has a long and happy retirement!

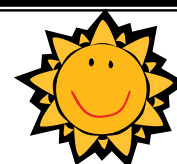

Miss Stallibrass, another one of our fabulous teachers is also leaving us for pastures new. She is still early in her career but has had such a strong influence on the children in her care. Her gentle, caring manner has been truly valued by the children in her classes and by her colleagues. We wish her luck and happiness as she moves to Leicestershire in preparation for married life. Just a bit too far to commute!

Miss Jones, one of our teaching assistants is also leaving us for other pursuits. We will all miss her ready smile and friendly demeanour.

I am happy to announce that **Miss Parsons** is joining our teaching team in September. She has completed her teacher training with us this current year and is now ready to take her first class. I am delighted to say that she is already an excellent teacher who is so enthusiastic and really looking forward to starting her new career!
