

# Numicon Bitesize Session

Wednesday 21<sup>st</sup> October  
***Straight after school*** in  
Miss Grierson's classroom.

**Come and find out about Numicon and  
how it supports your child's learning in  
maths.**

**You may bring your child/children with you.**

Mrs Alston and Miss Grierson will lead this session.

You will learn about how we use the Numicon resource in our teaching, and have opportunities to ask questions and have a play!

We look forward to seeing you there.
