

Reception Newsletter

April 2015

Dear Parents,

We hope you have had a good break and enjoyed the sunshine. This term your child will need to bring to school a named sunhat and raincoat for every day. On warmer days please put sun-cream on your child before school. Some sun-creams can last for 8 hours, which is preferable, however should you need to send in sun-cream with your child, you must complete a form. Please speak to your class teacher.

Farm Visit

In June we have a mobile farm visiting Reception. More information will be available nearer the time.

Water Bottles

Please remember to bring in your child's water bottle every day. We encourage the children to drink regularly, especially in the warmer weather.

Oaken Grove Visit

We are organising a second trip to Oaken Grove Park as follows;

Tuesday 19 th May	-	RLS
Wednesday 20 th May	-	RSP
Thursday 21 st May	-	RNL
Friday 22 nd May	-	RWH

We will be taking your completed medical consent form from the Autumn walk in November. Please let us know if there are any changes to doctor and emergency contact details.

We will also require parent helpers, please let us know if you are available.

Parent Helpers

If you have any spare time and would like to spend between half an hour to an hour and a half in your child's classroom, please speak with your child's teacher. We always need extra hands to play games, read, sew and cook with the children. This is also an excellent opportunity to see what your child is doing in Reception.

Sensory Garden

This term we plant and spend time tending our gardens. We have a vegetable garden and also a sensory garden. If you have any cuttings or duplicate plants, especially colourful, or stronger smelling plants, we welcome all donations. We also require some quality top soil/compost.
