Dear Parent/ Carer,

### **Reception school milk offer**

From the start of 2015, all schools in England are required to ensure milk is made available during the school day. We have taken the decision to offer milk to all our reception children free of charge from 2nd March 2015. Each morning, pupils will have the opportunity to have a drink of milk, if they choose.

We will be using the RBWM approved school milk provider for this service and in order for them to reclaim government / EU milk subsidies on our behalf, we will be providing them with the names and dates of birth of the children in our reception year. If you do not wish this to happen, please return the slip below to the school office.

Please inform your child's teacher of any dairy / lactose intolerances which could prevent them taking up this offer.
