

Reception Newsletter

April 2016

Dear Parents,

We hope you have had a good break. As the weather can be changeable, please ensure your child brings a coat to school each day. As summer arrives, your child will need a named sunhat and sun-cream should be applied before school. Some sun-creams can last for 8 hours, which is preferable, however should you need to send in sun-cream with your child, you must complete a form. Please speak to your class teacher.

Summer Walk to Oaken Grove

We are walking around Oaken Grove on the 29th and 30th June. We will be needing parent helpers to accompany us, so please put this date in your diary if your able to help. RH and RP will be going on Wednesday 29th and RS and RL will be going on Thursday 30th June.

Farm Visit

On Wednesday June 8th we have a mobile farm visiting, more information will be available nearer the time.

Water Bottles

Please remember to bring in a named water bottle every day. We encourage the children to drink regularly, especially in the warmer weather.

Parent Helpers

If you have any spare time and would like to spend between half an hour to an hour and a half in your child's classroom, please speak with your child's teacher. We always need extra hands to play games, read, sew or cook with the children. It is also an excellent opportunity to see what your child is doing in Reception.

This term we plant and spend time tending to our gardens. We have a vegetable garden and also a sensory garden. This week we have planted potatoes and runner beans. If you have any cuttings or duplicate plants, especially colourful, or stronger smelling plants, we welcome all donations. We also require some quality top soil/compost.

Thank you for your continued support.
