

## Uniform

Alwyn is now cashless!

The easiest way to buy uniform is via the Teachers2Parents app where you can pay using a credit or debit card. All items purchased on the app will be sent home with your child.

If you have a problem with the app and need to pay for an item at the office, please be advised that the school cannot process contactless or mobile phone payments (eg Apple Pay) so please have your payment card with you. Please only purchase at the office if you are unable to use the app.

If you are unable to make card payments, please speak to the office.

Going forward we will be moving away from selling Alwyn sweatshirts and cardigans in school. We will no longer be replenishing stock, so if the size you need is showing as out of stock, please purchase from either Goyals or School Days Direct. We currently have plenty of stock in most sizes so please continue to purchase from us via the app while stock is available. We will continue to sell book bags and Alwyn PE T-shirts in school.

(We will continue to take cash donations for charity non-uniform days.)

### **How to access the Teachers2Parents app:**

Go to your app store and download the "Teachers2Parents" app which looks like this:

When you open the app it will ask for your mobile number. Please enter the mobile number for the primary contact that you have registered with the school. This allows the app to match you to your child's account.

You will then be sent a verification code by text, and when you enter this code you will then have access to the app and your child's account.

If you have more than one child (either both at Alwyn or at another school which also uses the same service), you will be able to access information for both through the app at the same time by scrolling across where your child's name appears in the green bar at the top.

To purchase uniform, click on the 3 lines in the top left hand corner and select shop. You can then select the items you want to purchase and they will be added to your basket in the top right hand corner. When you are ready to purchase, click on the basket and select pay.

If you have downloaded the app, any text messages sent to you from the school will appear in the app instead of coming through as texts. Emails from school will still be delivered to your email address as usual.
