## OUR SCHOOL NEWS

Issue No. 28 | 25<sup>th</sup> April 2025

### What has been happening?

The children and staff have all returned back to school super smiley and refreshed after the Easter break. They have loved sharing their news and telling everyone what they did during the holidays.

#### A New Dance Club, Tuesdays 8am-8.45am

We are really excited to welcome a brand new dance club on Tuesday morning with JDFD Dance Club. It is open to years 1 and 2 and aims to build confidence and skills in dance and fitness games. Further information can be found on [our website](#) as there are still some places left to fill.

#### Upcoming Event- VE Day, 8<sup>th</sup> May

We are planning some activities during the week to help the children understand the significance of VE day and its 80<sup>th</sup> anniversary. The children will learn about that time in history by listening to wartime music, fashions and how the first VE day was celebrated.

We would encourage you to talk with your child about it before the week starts and watch some of the special events that are planned to take place on the Bank Holiday Monday, such as the media coverage of the military procession and fly past planned to take place in London.

**On the 8<sup>th</sup> May, we are having a non-uniform day where the children are invited to wear red, white and blue.**

If you have any memorabilia or stories to share, we would love to have them.

#### Punctuality and Open Door Policy

It is very important to ensure your child comes into school on time. The reception children should be at the classroom door for 8.45am and Years 1 and 2 at 8.50am ready for the day.

Teachers are happy to have a quick exchange of information at the door in the mornings. If it is not urgent or needs more time to discuss, please use the class email address or make an appointment so the adults are available to settle the children quickly and begin the register and lessons. It also means the other parents are not waiting too long. A further advantage to being on time, is to ease the flow of traffic on entry to Mulberry Walk and around our unofficial one way system. It means, although there is a lot of traffic, it should all be moving in the same direction at similar times.

### The Alwyn Aims

These are the rules we all try to follow:

- Use kind hands, feet and words
- Say how we feel
- Look and listen
- Always do our best

#### Remember to Order Lunches

All school dinners must be pre-ordered in advance. The deadline for ordering lunches is 8am on the day, however, we are finding that if you leave the ordering close to the deadline, the system can throw out an error message. Please try to order the night or weekend before.

Please note that for the Summer term, on Tuesdays and Thursdays, the alternative options will be sandwiches with various fillings or a jacket potato with baked beans. The menu will be uploaded onto Parent Pay by Caterlink during the Easter holidays.

If your child does not have a packed lunch or you have not ordered a school lunch, they will be given a jacket potato with baked beans.

School lunches for infant age children are fully funded so parents do not pay for them. They are yummy!

#### Reception & Cycling Helmets

The children in reception will have balance bike lessons on Wednesdays. Please send your child in with a helmet, if they have one, every Wednesday for the rest of the school year. We do have a few in school but not enough for every child.

Look out for more school news on our [Alwyn facebook page](#) or new [Instagram account @alwyninfantschool](#). If you haven't already, give us a like and a follow.

# Supporting Your Child's Emotions

Join us to explore ideas and resources to support your child's emotional development and wellbeing in a caring, supportive and non-judgemental space.

These workshops are free to attend and will be led by Dr Jo Silfi, one of our school's Educational Psychologists.

All parents, carers, childminders are welcome to attend.

Thursday 8th May at 14:15 will be information sharing.

Thursday 15th May at 14:30 will be a question and answer session.

The sessions will take place in Alwyn Infant School and will finish in time for you to collect your child/ren after school.

# Our Fabulous Parent Teacher Association

Remember as a member of the school community, you are automatically part of the Parent and Teacher Association (PTA).

They run brilliant events throughout the year but need your help.

Please get in touch with them if you wish to take part or have some great ideas to share.

**Easter Egg Raffle Congratulations to all our raffle winners.**

They loved having their eggs delivered to them and were very excited to show their grown ups at hometime.

Future Events in the Summer Term Keep an eye out for the amazing events that are being planned for the summer term.

Match funding We have some amazing parents who, through their work, have added to the funds we raise via Match funding; where their company match the amount raised on the event/stall they have helped run. We have had support from Microsoft, Barclays and Heathrow. Does your company match fund?

## What have Reception been learning this week?

This week in Reception we have had a really good few days back, getting back into our routines. As well as learning about sharks, we have been finding out about what lives and grows under the sea. We also talked a bit about what changes pollution has made to our seas and how we can help our environment. In maths we have explored 3d shapes, learning about the names and properties of cones, cylinders, spheres, pyramids, cubes and cuboids. Wednesday 23rd April was St Georges Day which we celebrated by listening to the story of St George and making flags, helmets and dragons etc

**Ask me to sound out the words car and park .**

**Ask me to sound out and write "A shark in the park"**

**Ask me to tell you a fact about sharks**

**Ask me to tell you 3d shapes that role**

**Ask me to tell you the story of the Boy Who Cried Wolf**

Next week Reception will be learning the digraphs or and ur in phonics. In maths we will be counting larger sets and things that cannot be seen.

## What have Year 1 been learning this week?

It has been lovely having the children back after the Easter Holidays and hearing about what they have done over the break. We have started an English unit on settings and have learnt some new vocabulary that would be fun to use in a setting description. We have looked at equal groups in maths and practised counting objects grouped in 2s and 10s. We have revised the parts of a plant in Science and then gone on to learn the parts of a tree. In assembly this week, we learnt about St George's Day.

**Ask me to read the following words: knee, gnome, knife, sign.**

**Ask me to count in 2s.**

**Ask me to count in 10s.**

**Ask me to name the parts of a plant.**

**Ask me what a setting is.**

Next week we will be doing some planting of seeds in Science lessons, and will continue to work on describing settings and learning more about equal groups in maths.

## What have Year 2 been learning this week?

Year 2 have settled back into their routines after the holidays and have made a great start to their final big term at Alwyn!

As it is a new term there's been many exciting new topics started. In maths we started learning about time, we revised o' clock and half past and looked at the numbers on the clock face. We know that each number represents the hour and intervals of 5 minutes past the hour. We were very excited to start learning about Florence Nightingale in History. We started by trying to work out what she was famous for by looking at some antique first aid kits, we eventually worked out that she was a famous pioneering nurse. We can't wait to find out more about her life.

**Ask me to count in 5's around an analogue clock.**

**Ask me to tell you the job of the 3 hands on a clockface.**

**Ask me to tell you how many seconds are in a minute.**

**Ask me to tell you how many minutes are in an hour.**

**Ask me to tell you 3 things that I want to find out about Florence Nightingale.**

**Ask me to tell you how to spell would, could and should.**

**Ask me to tell you the rhyme we have learnt to help us spell the 3 words above.**

Next week we will be starting to sew our egg cosies together.

## Congratulations!

Children are enjoying Golden Book Assembly in Year 1 and 2.

In Little Alwyn, they love to have their special stickers and certificate.

A huge '**well done**' to all the children who were in the Golden Book for their achievements this week. **We are very proud of you!**

## The School Gates

The Alwyn and Courthouse gates open at 8.40am until 8.55am and 3.10pm until 3.35pm

The opening times allow movement between our two schools and provide different points of access which should help with traffic and parking in our area.

The gate opening times are different from the time your child is required to be in school.

## The Importance of Being on Time

**Reception children need to be in school at 8.45am.**

**Year 1 and 2 children need to be in school at 8.50am.**

The classroom doors will open at these times and close as soon as the last child in the line enters the classroom; this usually takes less than 3 minutes. Any child arriving after the classroom door is shut, will be marked as late. Knocking on the classroom door once it is closed is disruptive to the children as their teacher is having to keep opening the door instead of settling their class for the morning.

Please be on time every morning. It can be worrying for a child to enter a classroom late especially when their classmates are sat on the carpet ready to learn. All children should have come into school, put their belongings in the cloakroom, their book bag in their drawer and their water bottle in the tray and have been registered before 9am each morning.

## Attendance Matters

Being in school every day is extremely important for all children in order to receive the best possible start to their learning. Your child's attendance is vital to a successful education, as this is the foundation for lifelong learning. Lessons are planned in sequences and if a child misses a part of this sequence, they are at a disadvantage when it comes to committing that learning to long term memory.

If your child is slightly under the weather, but well enough to come into school, send them in and mention it to the class teacher. They will keep an eye on your child and phone you if there are any concerns.

## Reason for absence

Please let the office know the specific reason for your child's absence rather than feeling unwell or ill. This helps us monitor any small outbreaks of similar virus' and supports the recording of absence.

## Medical Appointments

If you have a medical appointment during the school day, inform the school before the appointment and provide a GP/Hospital appointment card or letter.

## Leave Requests

Holidays during term time will not be authorised. Any other exceptional circumstances will require supporting evidence that shows the child has to attend something that results in missed school days.

Fixed Penalty Notices (fines) may be triggered if your child misses 5 consecutive days of school or 10 sessions in 10 weeks. A session means a morning or afternoon, not a day.

Please ensure that you make all reasonable efforts to send your child into school.

# Penalty Notice Changes

With the introduction of the new National Framework for Penalty Notices on 19 August 2024 there are significant changes in the way that Penalty Notices are to be issued and an increase in the charges associated with them. These are nationwide changes implemented for consistency across all Local Authorities.

Term Time Leave is only allowed in exceptional circumstances communicated in advance with evidence provided as soon as possible to the Headteacher.

## First Offence

For the first time a Penalty Notice is issued for unauthorised term time leave or irregular attendance the amount will be;

-£160 per parent per child paid within 28 days.

-Reduced to £80 per parent if paid within 21 days.

**Please ensure you communicate all absences for your child to school.**

## Second Offence

Within 3 years of the first offence.

The second time a Penalty Notice is issued for unauthorised term time leave or irregular attendance the amount will be;

-£160 per parent per child paid within 28 days.

-No reduction for early payment.

## Third Offence Onwards – Within 3 years of the first offence

The third time an offence is committed for unauthorised term time leave or irregular attendance a Penalty Notice will not be issued and the case will be presented straight to the magistrates court. Fines can be around £2500 per parent, per child. Cases found to be guilty in the magistrate's court can show as a criminal record.

## Notices to Improve

A Notice to Improve is a final opportunity for a parent to engage in support and improve before a penalty notice is issued. If the national threshold has been met and support is appropriate but offers of support have not been engaged with by the parent or guardian or have not worked, a Notice to Improve should usually be sent to give parents or guardians a final chance to engage in support. A Notice to Improve does not need to be issued in cases where support is not appropriate and an authorised officer can choose not to issue one in any case, including cases where support is appropriate but they do not expect a Notice to Improve would have any behavioural impact (because the parent has already received one for a similar offence).

If sufficient improvement is not made following the service of a Notice to Improve, a penalty notice may be issued either during or at the end of the designated time period.

## Don't forget.

Penalty Notices are issued Per Parent, Per Child.

For example 3 siblings absent would result in each parent receiving 3 fines. This could amount to £960

## 10 sessions in 10 weeks

Penalty Notices will be considered for any 10 sessions of unauthorised absence in 10 weeks. **5 Consecutive days** of term time leave can trigger a Penalty Notice

## Attendance Ladder

How close is your child to reaching the top?

For every day your child is absent from school, over 6 hours of instructional time is lost.

# ARKING RESOLUTION

## Driving, Parking and Vehicles in Mulberry Walk

Please think about our neighbours and school community, especially as one of our school values is kindness. Drive and park carefully and considerately on the roads surrounding the school at all times.

The road gets very busy at drop off and collection times. To help with this, we have an unofficial one way system that keep cars moving safely. Please reduce your speed and drive slowly around the one-way system. This is crucial as there are very young children walking along the pavements who may not be seen easily while driving, especially in these grey days.

We have good relationships with our neighbours but that can only be maintained with your help. Please do not block their driveways when parking and remain polite if they ask you to move. Any area with block paving is for the residents of the road and not for school parking or access.

Please do not park on the bends of the road or directly opposite another car as this can stop the flow of traffic and make it difficult for other drivers to pass.

Do not mount the curb as our children and their siblings are very little and not always easy to see.

### To ease congestion, please explore other options:

- If you are able to walk or cycle to school this would help.
- Consider parking further away, such as by Courthouse Junior School, where there are more roads to park along safely and they tend to be less congested.
- A short walk can make a significant difference in reducing traffic and ensuring safety and you can access Alwyn by walking through Courthouse as the gate opening times are the same.

Recently we've had a few reports of members of our school community driving along the pavement, on the bend, at speed resulting in near misses as well as some aggressive behaviours when they have been reminded of our parking etiquette.

Aggressive driving and behaviours put us all at risk and should be reported by calling 101.
