Dear Parents/Carers

### **School Fund**

Alwyn Infant School has a voluntary School Fund, which helps provide additional support for many of our school activities. The money donated is in addition to the Government's funding and enables us to enhance the education we can offer your children.

The activities the School Fund provides includes visiting authors and theatres, resources for cooking, gardening and external workshops (e.g. Lego, Music).

Each year when we welcome new parents, we ask them to contribute to the School Fund if they feel they can. If you feel willing and are able to make voluntary contributions towards the activities covered by the Fund, please donate online via [www.eduspot.co.uk](http://www.eduspot.co.uk) (you will receive a password via text at the beginning of the autumn term).

As a guide, we generally would suggest a termly donation of £7 per family. We do, of course, appreciate that some may wish to give more and some may feel unable to contribute. We stress we are very grateful for every donation, however small, and for the various other forms of support our parent body provides.

We do emphasise that this is a voluntary contribution. If you require any further information or have any questions, please do not hesitate to come and see Miss Grierson.

Yours sincerely

Chandra Kunder  
Chair of Governors
