In the mornings, you will put your water bottle and lunchbox (if you have one) on the trolley outside.

Say hello to your teacher at the door and say goodbye to your grown up.

Then walk into the cloakroom.

This is your cloakroom

You will have your own peg that you will hang your coat on, along with a bag of spare clothes.

On your visit and your first day, your teacher will help you to find your peg with your name on it.

Learning in school is lots of fun!

In your classroom, you will have a bathroom area.

The toilets and sinks are just the right size for you.

To be ready for school, practice going to the toilet on your own during the summer.

Remember to flush the toilet and wash your hands.

This is our garden.

Look at all the toys you can play with.

You can see everything from the top of our climbing frame!

A climbing wall and tyres.

Can you see the tunnel and monkey bars?

There is so much to do outside

A stage with
dress up clothes

Some small
world play

We spend lots of time outside
so bring a coat.
