OUR SCHOOL NEWSLETTER

Issue No. 38 | 17th July 2026

Happy Holidays!

As we come to the end of another wonderful school year, we want to extend our thanks to our families unwavering support and collaboration. Your involvement has been vital in fostering a thriving learning environment for our children. This year has been filled with achievements, growth, and memorable moments, all made possible by us working together with the children. We have had many trips, visitors, events and a farm. It truly has been a brilliant year!

Year 2 Leavers'

Our Year 2 children put on an outstanding performance to their families.

They were also fabulous during the disco. Super dancing, singing and lots of laughter!

We would like to take a moment to celebrate our Year 2 children, who are moving on to their new junior schools. Watching them grow and flourish has been a joy, and we are immensely proud of their accomplishments. We wish them the very best as they continue their educational journey.

We know you will be amazing!

Staff Goodbyes

Unfortunately, at this time of year, not only do we say goodbye to Year 2 but also to some members of staff.

Mrs Lawrence and Mrs Corbitt are both retiring after many dedicated years at Alwyn. We wish them lots of adventures and fun!

Mrs Macleod will begin her maternity leave so we wish her lots of luck when her little girl arrives in August.

Miss Latif and Mrs Hughes are leaving to pursue further career opportunities. We are sure they will be fabulous!

Raising money for the Children's Hospital, John Radcliffe

Thank you to all the families across the federation who supported and generously donated to the Children's Hospital. Some donations are still being contributed but so far, across the two schools, we have raised £470.

A cheque will be sent to the hospital in September.

If you wish to add any further contributions, you could use the [JustGiving page](#), which has raised an additional £105 so far.

Look out for photos on our Alwyn facebook page or Instagram.

The Alwyn Aims

These are the rules we all try to follow:

- Use kind hands, feet and words
- Say how we feel
- Look and listen
- Look after our things
- Always do our best

Have a fantastic summer holiday, full of family fun and reading!

We are looking forward to having you return on Wednesday 2nd September.

Join the FREE Summer Reading Challenge at the local library

The library reading challenge has returned for the summer holidays and starts this Saturday. The challenge is to read 6 books over the 6 weeks. You will receive a starter pack when you sign up and each time you have finished your book and you return it to the library, you will receive a sticker and a prize.

Once you have completed the challenge you will receive a medal and a certificate.

Bring in your certificate in September to go in the Golden Book.

There will be a trophy awarded to the school with the highest ratio of student participation.

How fabulous if Alwyn won the trophy!

The Summer Reading Challenge provides:

- Amazing way to boost confidence and self-esteem.
- They will be better prepared to return to school in the autumn.
- The Challenge supports the move into a new year group.
- The library provides free access to books and fun family activities all through the summer.

How can my child take part? (Library or online)

At the library:

Visit your local library to sign up.

Set a summer reading goal and choose from books, eBooks, or audiobooks

Receive a special sticker booklet and collect rewards for reading

Or online:

Visit summerreadingchallenge.org.uk

Sign up, set a reading goal, and get book recommendations

Unlock digital badges and earn a printable certificate

When does it start?

In RBWM libraries it starts on Saturday 11th July. It is not too late to join!

Don't miss out - head to your local library and sign up this summer!

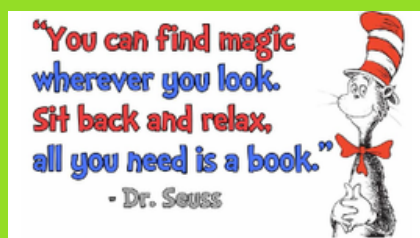

Alwyn Holiday Reading Challenge

To continue our theme - the love of reading, we challenge all children to be caught reading in an unusual place during the holidays. Grown-ups, all you need to do is encourage your children to read and then take a photograph of them reading in the most unusual, creative or out-of-the-ordinary place.

You could read upside down, with your pet; the possibilities are endless! You can bring just one photograph; however, you could challenge yourself by creating a reading in unusual places diary over the course of a week, the weekends or the whole holidays. It is entirely up to you to decide how best to present your photograph(s).

We are planning to display the photographs so please let your child's teacher know if you do not want the photograph displayed.

Try to keep reading during the summer break

It is important to keep reading to your child, with your child and to encourage your child to keep practising their phonics and to read independently. On this page you will find some great ideas to help everyone to keep reading

Visit the local library and take part in their Reading Challenge

It's free and children love choosing their own books to read. Remember if the book your child chooses to read is challenging for them to read independently then read it to them or share the reading. Lots of libraries have free storytelling events and competitions so look out for those too. Remember to take part in the summer reading challenge!

Video stories

To keep an interest in books going over the holidays, visit the [Share a Story Corner](#). It has loads of video stories you can enjoy together and talk about. You could also visit [Cbeebies stories](#) or a great range of audiobooks can be found at [World of Stories](#).

Street Signs out and about

When you are out and about in the car, on the bus or out for a walk, see how many signs you can spot. Road signs, street signs, shop signs and timetables ... Read them together with your child.

Reading to other members of the family

Children love to share reading skills with family members so if you are visiting family then take reading books with you so someone different can say how proud they are hearing your child read. It's a good chance to show off their skills!

Family meal times

Often during holiday time, families can spend longer over meal times or might visit a café or restaurant. Read the menu whilst you are choosing what to eat or read the cereal packet over breakfast. Or if you have friends visiting for a meal then get your child to create name places for each person - make them fun and personal so each person feels special.

Postcards, cards and e-cards

Ask family and friends to write your child postcards whilst they are away on their holidays. Children love to read a postcard addressed to them. You could also send a postcard to their new class!

Cooking your favourite dish

Does your child enjoy cooking? Find a recipe, read the list of ingredients together, visit the shops and read the food labels, and then support your child to read the instructions as you make your favourite recipe.

Playing outside

When you're in your garden or at the local park, play some fun games. As your child comes down the slide or is swinging on a swing ask: What does slide begin with? What is a word beginning with t? Spell your name! Give me a word that rhymes with den! You're bound to have lots more ideas on how to have holiday reading fun

What have Reception been learning this week?

The children in Reception have had a fantastic final week. We enjoyed reading traditional stories, creating celebratory arts and crafts to decorate our classrooms ready for our class parties. Yesterday the children had fun decorating iced biscuits and going on an outing to Courthouse field, where we played lots of fun circle time games and had a picnic. We would like to thank all our parents and carers for the support they have given us this year and we wish you a very happy summer holiday and look forward to welcoming you back in September.

What have Year 1 been learning this week?

Year 1 have had a busy and exciting week! In Maths, they have been learning about position and direction, confidently using a wide range of fantastic mathematical vocabulary. They have also created informative leaflets all about Maidenhead, packed useful information, which would make a great guide for any tourist visiting our town. In Computing, the children enjoyed using laptops to develop their mouse skills by practising clicking and dragging. In PSHE they sensitively explored which parts of the body are private, focusing on staying safe and private during toileting. Finally they continued to enjoy learning simple songs on the recorder, developing their confidence and musical skills.

What a fantastic way to end Year 1! We are so proud of everything the children have achieved and wish them all the very best as they move on to Year 2!

Message from the Year 2 Team

We have finally come to the end of another fantastic, fun-filled year! We are so incredibly proud of every single child for all the hard work, giggles and growth they have brought to our classrooms every day. From mastering new challenges to making wonderful memories together, the children in Year 2 have learned so much and shone like bright little stars. To our amazing parents and carers, thank you for your endless support, encouragement and partnership throughout this journey. While we will miss these brilliant smiles dearly, we are so excited for their next big adventure. Best of luck as you take this big step up to junior school, we know you are going to do amazing things! Have a lovely summer holiday.

Frequently Asked Questions

Do I need a Summer Swim Pass?

No. Individual day tickets are available, but the Summer Swim Pass offers the best value if you're planning to visit regularly throughout the holidays.

Can I use both pools?

Yes! Your Summer Swim Pass gives you unlimited access to both St Edmund Campion Outdoor Pool and Newlands Leisure Centre throughout the summer.

What happens if the weather isn't suitable?

St Edmund Campion Outdoor Pool is weather dependent. If it is closed due to poor weather, Summer Swim Pass holders can use Newlands Leisure Centre instead, subject to availability.

Do children need to be accompanied?

Yes. All children must be accompanied by a responsible adult.

What are the pool supervision ratios?

To help keep everyone safe, the following supervision ratios apply:

- Children aged 8 and over: 1 adult
- Children aged 4-7: 1 adult to a maximum of 2 children
- Children under 4: 1 adult to 1 child

Please ensure children remain supervised at all times while using the facilities.

Don't Miss Out

The £99 Early Bird offer is available to the first 100 memberships only.

Once they're gone, the price returns to £150.

All activities are delivered by our experienced and passionate MNR Coaching staff who are on hand to help your child develop new skills and confidence but most importantly enjoy their time on camp!

Why Choose 'LET THEM PLAY'?

Flexible - Extended day options available to support busy family schedules.
Online Booking - Simple, quick, and hassle-free booking system.
Peace of Mind - All staff are experienced, fully trained, and Enhanced DBS checked.
Accredited - All our coaches are experienced, FA qualified.
Trusted - We work in over 80 schools & Clubs across Berkshire
Endless Variety - Over 50 themed activities designed to keep children active, engaged, creative, and entertained every day.
Child-focused Care - We create a welcoming environment where every child feels included, encouraged, and supported.

Outstanding Levels of care!

5-7 year olds

Whether it's their first time on camp or not, children are given the confidence to make new friends with a mixture of age appropriate games, activities and creative sessions, that will fill their day with endless FUN!

8-9 year olds

As children grow so does their enthusiasm to try NEW activities and experiences like Archery and Fencing! Children will also enjoy engaging in team challenges and making choices through child/leader led games.

10+ year olds

We encourage leadership on camp through group captains and child led games, in which they make the rules. Themed games and craft sessions give children the chance to bring their interests to life on camp!
